Experts you can trust

At **Premier Safety**, we can help you assess and evaluate the fall protection training and assets your business has in place. We offer top-of-the-line fall protection equipment from leading suppliers such as MSA and Honeywell, and our team of industry experts can advise you on the equipment your worksite needs.

Partner with **Premier Safety** to ensure your business and employees are protected from unnecessary citations and unexpected falls.

From proper care to proper usage, asking the right questions can help keep workers safe.

- ▶ Do our employees have the right fall protection equipment?
- ▶ Are our employees using personal fall arrest systems correctly?
- ▶ Do we inspect fall protection equipment routinely?
- ▶ Do we store and care for fall safety equipment properly?
- ▶ Is our fall protection equipment outdated?
